
```
1 module store {
2   (...)
3
4   resource order {
5     path = "/order/{id}";
6
7     @delete int deleteOrder (int id)
8       ensure (call store.getOrder(id) == "NotFound"),
9       otherwise "NotModified";
10  };
11 }
```
